

The all-new ID.7 Tourer

Effective from 01.05.2024

Function at its best

Discover the fascinating design of the new ID.7 Tourer. Sporty and functional at the same time. The air inlets in the front allow the airflow to flow specifically to the side of the vehicle and to the rear. They form an air curtain that calms the air flow to the side of the vehicle resulting in optimised aerodynamics.

Sit more comfortably, arrive more relaxed

The new front seats combine seating comfort with innovative massage programs, automatic climate control and a new activation function for muscle groups in the spine and pelvis. The pressure point massage and, for the first time, pelvic activation can promote blood circulation and relieve tension, thus increasing well-being, especially on long journeys. The massage function is created by the program-controlled pressure build-up and reduction of the air bubbles. In addition to the seat back, there are also air cushions in the seat cushion for the first time.

More loading volume for more possibilities

More space for sports equipment, luggage and everything you need for active weekends. With the option to adjust the inclination of the rear seat, the interior and thus the seating and loading space volume of the vehicle can be quickly adjusted to your wishes. Depending on which rear seats you fold down, the volume of the load space can be increased from 545 liters to up to 1,714 liters, underlining the benefits of the optimized car design and offering you even more flexibility.

Smart horizons

The optional electric panoramic roof "Smart Glass" of the new ID.7 Tourer offers a heavenly view. The large glass surface is not only an eye-catcher, but can also be conveniently controlled with a swipe over a functional surface in the roof lining or via voice control and can be made transparent or opaque. The light transmission is controlled via electro-chromatic voltage.

Comfort experience

The new ID.7 Tourer offers extensive space for up to five passengers and, thanks to premium materials and features such as the ambient lighting or the optional electrically dimmable "Smart Glass" panoramic roof, conveys the lounge character of a luxury class estate with a particularly generous feeling of space. The interior of the new ID.7 Tourer has a high proportion of special materials as standard and is also full of recycled materials.

Tell your ID. "Hello!"

With the new online voice assistant "IDA", you can conveniently operate the radio, the telephone function, your music, the optional 3-zone air conditioning and the optional navigation using your voice. For example, you can use your voice to select the right station, the appropriate address book entry or the phone number you are looking for. The voice assistant can be started with "Hello IDA!" He also understands everyday phrases, such as "I'm cold." or "Where are there nearest shopping centres?"

For everyone who wants to make a difference

Don't want to miss out on anything while you're on the go? The optionally available folding trailer hitch with electric release creates more space for what gets you through the day. Designed for loads of up to 1,200 kg (braked), you can transport a lot with your ID.7 Tourer. In addition, the vehicle has a roof load of up to 75 kg, giving you further options for storing your equipment or luggage.

Set up for almost anything

Even at first glance, the new ID.7 Tourer comes with a real highlight; the innovative IQ.LIGHT . Matrix technology allows you to drive with high beam at all times without dazzling other road users 1 . An elegant strip of light runs between the elegant LED matrix headlights and the illuminated Volkswagen logo . As you approach your vehicle, the headlights light up briefly as if they were winking at you, making the ID.7 Tourer appear almost human.

**Maximum power determined in accordance with UN-GTR.21. The maximum power is available at the highest possible battery state of charge and with an optimal operating temperature range of the high voltage battery.

¹This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at www.volkswagen.ie/wltp.

²Net to energy amount.

³The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (kWh/100km) and CO₂ emissions and are correct at the time of print. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and achievable range. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

⁴State subsidies refer to VRT relief and SEAI Grant for Private Customers, Business/Commercial Buyer State subsidy comprises of VRT relief, all of which are subject to approval. SEAI Grant is not applicable on vehicles with a list price of over €60,000.

⁵All prices (Retail) are recommended by Volkswagen Ireland and are inclusive of VAT.

VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2025 cars produced from CW24/2024 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

Volkswagen IE may change RRP's at any time (this includes where there are changes in government regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie configurator for details relating to the tyres applicable to said vehicles.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 1st May 2024. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

3 Years Tyre Insurance covers tyres that are damaged by an Insured Event. Exclusions do apply. For more information on general terms and conditions, please click here (<https://www.volkswagen.ie/en/owners-and-users/wheels-and-tyres.html>)

The ID.7 from production wk 49/2023 supports ID software 4.0 and subsequent updates that follow.

ID.7 Tourer PRO PLUS

77kWh Battery
607km Range

Interior Equipment

- » 15" Infotainment Display
- » Pedals in stainless steel, with play and pause symbols
- » Front seats with height adjustment
- » Heated front seats
- » Asymmetric split folding rear seat backrest, with load-through hatch and center armrest, 2 beverage holders
- » Instrument cluster with electronic speedometer, odometer and trip odometer, tachometer
- » Auto-dimming interior rearview mirror
- » Door and side trim panel in foam film, insert in leatherette
- » 3 head restraints in rear
- » Safety-optimized front head restraints
- » Multi-function steering wheel with touch control
- » Illuminated vanity mirrors in sun visors
- » Floor Mats
- » ISOFIX anchors for child seats on outer rear bench seats and on front passenger seat, compatible for i-Size

Exterior Equipment

- » 19" 'Hudson' Alloy Wheels with AirStop Tyres
- » Illuminated front & rear logo
- » Illuminated door handle recesses
- » Wheel locks with extended theft protection
- » Exterior mirrors, power-adjustable, folding and heated, w/ front passenger exterior mirror lowering function
- » Black-painted exterior mirror housings
- » Black roof rails

Charging Equipment

- » Three pin home socket charging cable, 10A
- » Charging cable Mode 3 Type 2, 32 A
- » Battery charging capacity - max. 11kW AC, max. 135kW DC
- » 77kWh battery
- » 8 year battery warranty or 160,000km, whichever ever comes first

Safety

- » Oncoming vehicle braking when turning and swerve support
- » Driver and front passenger airbag with front passenger airbag deactivation
- » Preparation for alcohol interlock
- » Follow-on warranty, contract duration: 1 year, subsequent to manufacturer warranty, max. total mileage: 90 000 km
- » Electronic engine sound
- » Auto. Emergency Braking Front Assist with Pedestrian and Cyclist Monitoring
- » With UN-ECE cybersecurity & software update
- » Anti-theft alarm system with interior monitoring, backup horn, and towing protection
- » Proactive passenger protection system
- » Advanced driver attention & drowsiness monitor
- » 3-point seat belts in front with height adjustment and seat belt pretensioners
- » Emergency call service
- » Lane change system Side Assist, rear Traffic Alert and exit warning system
- » First aid kit, warning triangle and safety vest

Functional Equipment

- » Augmented reality head-up display
- » App-Connect Wireless for Apple CarPlay and Android Auto
- » Tool kit
- » Automatically-heated washer nozzles in front
- » Driving Mode Selection
- » Car 2X Technology car-to-car wireless information transfer
- » 2 USB-C ports in the front, 2 USB-C charging sockets on the center console in rear, charging capacity up to 45 W
- » Luggage net
- » Adaptive Cruise Control ACC
- » Dynamic Road Sign Display
- » Electromechanical speed-sensitive power steering
- » High-beam control Light Assist
- » Predictive speed limiter
- » Headlight range control
- » Remote unlocking for tailgate/trunk lid
- » Green heat-insulating glass windows on sides and in rear
- » Voice control
- » Rain sensor
- » Keyless locking and starting system
- » Keyless Access with SAFELOCK
- » Surround lighting with welcome light
- » Net partition
